### **ARS Restoration Specialists to Present at PLRB Eastern Regional Adjusters Conference**

**Newton, MA – October 23, 2018** – [ARS Restoration Specialists](#), providers of 24/7 emergency disaster restoration and reconstruction services for residential and commercial properties, today announced Rick Perini, Senior Project Manager, will present at the PLRB 2018 Eastern Regional Adjusters Conference, October 30-31<sup>st</sup> in Hartford, CT. Rick will join colleagues from Liberty Mutual and Slone & Walsh to present “Quarterbacking a Successful Subrogation Team,” and share best practices on how to assemble an effective team, identify new opportunities and overcome typical pitfalls during subrogation claims. The annual regional conference, designed for front-line adjusters, supervisors and managers, explores a wide range of property and casualty claim insurance topics while offering attendees the opportunity to earn continuing education credits. To learn more about this event visit [HERE](#).

ARS executives including Chief Sales Officer, Steve Sorkin, Sales Manager, Jim Brooks and Chief Operating Officer, Jessica Kline will be on hand in Booth #108 to answer questions, discuss the latest in remediation and restoration technology and share best practices based on three decades of industry experience. A long-time affiliate of the Property & Liability Resource Bureau (PLRB), ARS joins industry colleagues for two days of networking and knowledge sharing with nearly thirty informative sessions available to help educate today’s claims professionals on the latest in adjusting, legal and technology advancements.

“We are thrilled to participate in the annual PLRB Regional Adjusters Conference and share our insight to support claims professionals working hard to provide quality service to their insureds,” said Rick Perini, Senior Project Manager, ARS Restoration Specialists. “This event is an ideal opportunity to connect with colleagues, exchange ideas, and further our understanding of the market to refine our services and meet our clients’ needs.”
